

THERE IS A BETTER WAY TO IMPROVE YOUR CASH FLOW

All it takes is to defer your GST payments indefinitely with fewer or no restrictions. **Freight Links Logistics** is one of the few logistics solution providers in Singapore awarded a Type III Zero-GST Warehouse License. The Zero-GST Scheme offers you as importers and exporters, greater flexibility to move your merchandise in and out of Singapore. Instead of your money being tied up in GST payments, you are able to put it into higher revenue generating investments, reduce your interest costs and improve your cash flow.

► Benefits of the Zero GST Warehouse Scheme

- GST is suspended during import.
GST is only paid when goods are released to local market.
- Trade your cargo within the Zero GST area without additional costs of GST payments.
- Free up cash flow and GST administrative costs.

► Added Benefits of the ZGS Type III Warehouse

- 100% of cargo from the Type III warehouse can be sold into the local market. Type I warehouse need to comply with 80% minimum export ratio.
- Store goods in multiple ZGS warehouses and transfer goods freely between ZGS warehouses.
